the provision of Rs 30,000 for these buildings
was distributed on account of
the following works in Rs

9501-2 d. 29-1-01 (sl no 4 of section 19 A)
Ed. 7 19-86

Rs 97-0
SL 2

1	appropriations for works which are being carried out by the agency of D P N	Rs 15,088
2	Works sanctioned by Govt since 1st July 1900	13,82
3	works sanctioned by the Dl since 1st July 1900 (i.e. those costing Rs 500 & under)	1,564
4	new works urgently reqd	6900
5	Betty repairs & minor works	5066
		<u>Rs 30,000</u>

If the above distribution of
the provision sanctioned in the
budget for (1900-1901) be strictly
adhered to, there will be some difficulty
in meeting the proposed excess charge
But it was expected that the D. G. would perhaps
reduce the expenditure on other ^{kinds of} work
when he proposes ~~the proposed~~ ^{to meet} charges
out of a fixed sanctioned amount already
distributed

SIR,

Sl 2

I have the honour to inform you that a sum of Rs 776/- sanctioned by Government in their order No. 15102-3 of the 10th May 1901 was not utilised by the Executive Engineer, Chitaldroog Division before the 30th June 1901 and he now requests that the amount may be arranged to be paid during the current year. It was thought that the amount referred to would be treated by the D.P.W. as an ordinary deposit and made available for expenditure during the current year according to the practice adopted in the D.P.W. and no provision was therefore made again in the budget of the current year on account of the

1

work referred to in the Government order cited above. Under these circumstances, I request that Government may be pleased to sanction the amount of Rs 776/- from the General Savings of the Educational State Funds Budget of the current year, as it is not known whether the amount required will be available from the provision granted for "School Buildings" in the Educational State Funds Budget of the current fiscal year 1901-2.

I have the honour to be,

Sir,
